

Prepare

Join your peers in preparing for the future of radiation oncology.

The Radiation Oncology Institute (ROI) is building a knowledge base to facilitate understanding of the field; demonstrate the magnitude of impact that treatment has on patients; and quantify its benefits.

ROI supports research and education on the life-saving and quality-of-life benefits of radiation therapy.

Join us as we build the foundation that our profession will stand on for years to come.

Donate to the ROI, visit www.roinstitute.org.

ROI Founder's Circle

INVESTORS - \$2,000,000+

American Society for Radiation Oncology (ASTRO)
Varian Medical Systems

VISIONARY - \$1,000,000+

Elekta

TRUSTEES - \$250,000+

The Juan A. del Regato Foundation
Deborah A. Kuban, M.D.

BENEFACTORS - \$100,000+

Carl R. Bogardus, Jr., M.D.
Daniel Dosoretz, M.D.
Dr. and Mrs. John Halligan
Louis B. Harrison, M.D.
James Peter Hoey
